# ABOUT

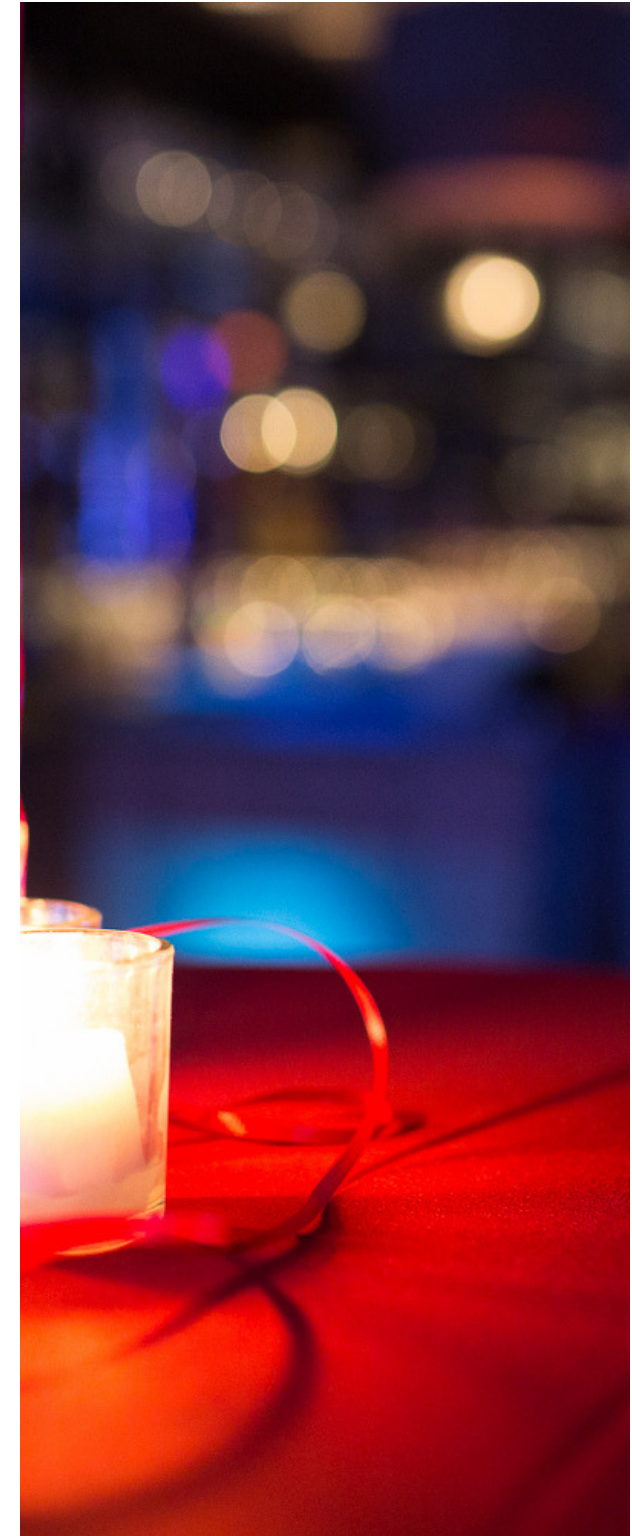

## MIRACLE CHARITIES

---

As Miracle Charities enters its fifth year, we've partnered again with the Child Life Department of Childrens Health as our beneficiary. Miracle's core focus is to provide young professionals with an opportunity to come together as a community and give back to a local organization that provides much needed care to children in need during the holidays.

In 2016 we raised \$82,210 for this organization and in 2017, with your help, we hope to begin the new year by raising \$100,000.

## TEDDY BEAR CLINIC

Each child has the opportunity to learn and be comforted about what type of procedure they will be undergoing by example of a teddy bear.

## THE PAWS FOR HOPE

The pet assisted therapy program has the power of an animal to promote positive coping in an unfamiliar environment during challenging situations

## THERAPEUTIC ARTS

From creative hand paintings to therapeutic music therapy, art creates a healing environment allowing patients & families to engage in expressive interventions.
